

A crabbing man was looking into hell  
There he saw his best friend  
An old boat builder man out of fishing creek Maryland  
With an unbelievably horrible fat woman  
That was eating a cake that was immense in butter.  
The crabbing man turns to the Devil and asks why?  
The Devil replies,  
"Well, he has done some wicked things in his life  
And that's his punishment."  
The crabbing man looks around a little more  
And sees a Bible Shouting Preacher  
From the church that used to be on  
Springfield Avenue in Cambridge  
With a beautiful model,  
The stunned crabbing man asks  
"What's he doing with that gorgeous model?"  
The devil replied,  
"Well, that model did some pretty bad things in her life  
And the Bible Shouting Preacher is her punishment."
